

2024 PRO RIDER DEALS

Iconic. Rewarding. Spectacular.

The Epic Series is a global portfolio of the world's most exhilarating, rewarding, and premium mountain bike stages race. Spanning from South Africa to Croatia, Andorra to Switzerland, the welcome of inspiring destinations ushers you into a world of premium mountain bike experiences.

Remarkable trails are set against breathtaking scenery and spattered with ruts, mud and dust. Here, true grit, cheers and chatters of chains are the universal language that see you off in search of your next Epic Series event.

Race The World

Any rider wishing to compete as a **UCI Pro-Elite Rider** must be in possession of a current international UCI Elite racing license, and have at least one valid UCI point in any UCI mountain bike or road discipline.

Any team wishing to take advantage of an **Epic Series Tier 1 Pro Deal** must have at least 25 UCI points per rider and a combined total of at least 200 UCI points in any UCI mountain bike or road discipline to qualify.

Teams that do not qualify for Tier 1 may be offered **Epic Series Tier 2 Pro Deal** pricing at the discretion of the Pro Rider Services Manager and Event Race Director.
